NORTHEAST
DISTRICT DENTAL ASSOCIATION
A COMPONENT OF THE
AMERICAN & FLORIDA DENTAL ASSOCIATIONS

MARCH 2024

the FDA's official e-newsletter

▶ NORTHEAST DISTRICT DENTAL ASSOCIATION PRESIDENT'S MESSAGE

Greetings, fellow Northeast District Dental Association (NEDDA) members!

As you can see from our newsletter, we have had a busy start to the year. The House of Delegates was held Jan. 20 in Orlando and *Dentists' Day on the Hill* was Jan. 30 in Tallahassee. Both events were well attended by dentists from around the state who are incredibly passionate about supporting our association and protecting our profession. If you have not had the opportunity to attend either of these events, I would strongly encourage you to do so. Many issues being discussed during this legislative session directly affect dentists. Our voices and expertise are required to ensure we can continue to practice dentistry and provide care for our patients.

The NEDDA spring social will take place this evening at Epping Forest Yacht and Country Club. This free event is for all dentists in the NEDDA. I encourage everyone to not only plan to attend but also to reach out to other dentists in the area who may not have ever attended an organized dental event. Our profession is one that other professions envy, and much of that is due to our support system, which is organized dentistry. Our local, state and national dental associations work extremely hard to make sure our dental profession continues to thrive. We need to make sure that our associations grow with stable membership, and we can all help by simply encouraging all dentists to be members of the tripartite.

Since this will be my final president's message, let me take this opportunity to thank our Executive Director Debbie Deville and our entire executive council for their support and encouragement over the past several months. As many of you can relate, it takes a village to run our offices, households and dental organizations. I am so grateful for the opportunity to serve as your NEDDA President and plan to continue to serve in roles that support organized dentistry. I hope to see you all at the spring social this evening — you do not want to miss it!

Sincerely,
Bethany Douglas, DMD, PA

▶ CLAY COUNTY DENTAL SOCIETY (CCDS) PRESIDENT'S MESSAGE

Hello Colleagues,

Our last scheduled meeting of the 2023-2024 year was held on Wednesday, Feb. 21 at the Orange Park Holiday Inn. We had Adam Mormile from Four Quadrant Advisory Companies speak with us regarding the joys of practice ownership, such as cash flow and overcoming insurance reimbursements. We are considering adding another meeting to our schedule later this spring and a social event for dentists and office staff to enjoy.

Also, in Clay County, the community has been in full swing to get the Way Free Medical & Dental Clinic up and running on College Drive. Construction has begun with hopes to be completed by the end of this year. Due to the absence of a functioning PANO x-ray system, the current Clay County Dental Care Clinic in Green Cove Springs will rely on community office staff to take and send radiographs to the volunteering dentists. This situation is far from ideal, and we hope to acquire a functioning PANO soon. In the meantime, we will focus on improving systems and looking into software to support the dental side of the new clinic.

Practice Sales & Purchases Over \$3.2 Billion

THANK YOU, MIKE TROUT!

The Florida Dental Association (FDA) would like to thank the FDA Services' (FDAS) Board of Directors, employees and clients for supporting organized dentistry. In the last 10 years, the sales of superior insurance products to dental practices have raised more than \$16 million in non-dues revenues, all while keeping malpractice insurance premiums lower than they were when FDAS started in 1989. The FDA encourages all Northeast Florida members to use Mike Trout for their practice insurance needs and continue to support organized dentistry.

▶ CLAY COUNTY DENTAL SOCIETY (CCDS) FALL PRESIDENT'S MESSAGE (CONTINUED)

Being the CCDS President this last year has been a privilege. We had a great year of growth in our professional relationships as well as our social ones. I hope we continue to keep Clay County a great place to practice dentistry, with a high level of camaraderie and support from fellow professionals.

Very respectfully,
Erin Standish, DMD
ClayCountyDS@gmail.com

▶ DR. ANDY BROWN NAMED ADA TRUSTEE-ELECT

Florida Dental Association (FDA) Past President Dr. **Andy Brown** will represent the 17th District as a member of the American Dental Association (ADA) Board of Trustees (BOT).

Members of the 17th District delegation elected Dr. Brown at their January meeting and the FDA House of Delegates (HOD) unanimously ratified his election on January 20. He is currently an ADA trustee-elect and will be installed as a trustee in October.

The ADA BOT is the managing body of the association; its voting members consist of 17 trustees (one from each trustee district), the president-elect, two vice presidents and the new dentist committee chair. The president, treasurer and executive director are non-voting members of the board which is responsible for the ADA's success and growth.

An orthodontist practicing in Orange Park since 1984, Dr. Brown has been actively involved with organized dentistry throughout his career. He is a past member of the FDA's BOT, a member of the Governmental Action Committee (former chair), and a liaison for the Council on Dental Health. He previously served the ADA as a delegate and vice chairman of the Council on Dental Practice. Dr. Brown is also past president of the CCDS and previously ran the Peer Review program for the NEDDA for nearly three decades.

While many of the ADA's districts are comprised of multiple states, Florida is its own district — the 17th Trustee District — in the ADA governing structure. Dr. **Rudolph "Rudy" Liddell** currently serves as the 17th District's trustee.

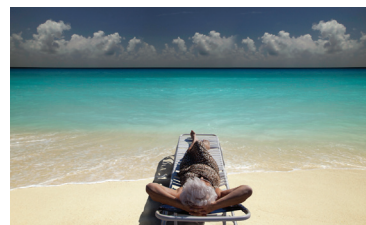

▶ RENEW YOUR FDA DUES NOW – THIS COULD BE YOUR LAST NEWS BITES!

Visit floridadental.org/dues. Choose from different renewal options, including auto-renew. Your username is typically your ADA number. If you prefer to speak to one of our friendly membership team members, please call us at 850.681.3629 to renew over the phone.

▶ RECENTLY RETIRED OR RETIRING SOON?

If you are no longer practicing or have plans to retire before March 31, please contact Megan Bakan at mbakan@floridadental.org or 850.681.3629 to complete your retired affidavit through a quick and easy DocuSign form. Most retired members pay little or no dues to maintain their membership and keep access to all their benefits and services.

▶ JOIN THE FDA'S SEARCH COMMITTEE'S QUEST: INVITING ELECTION CANDIDATES FOR JUNE

Are you interested in serving on the FDA Board of Trustees BOT? As FDA Editor or Speaker of the House? The FDA's Search Committee is looking for interested candidates for the June 2024 elections. Please visit the [Search Committee section](#) of our website to read the job descriptions and access the online applications. The due date for applications is March 15.

▶ A NEW LICENSURE EXPERIENCE FOR HEALTH CARE PRACTITIONERS

The Florida Department of Health's Division of Medical Quality Assurance (MQA) is pleased to announce a new licensing experience for health care practitioners. Beginning mid-2023, electronic licenses (e-license) will replace the current practice of printing and mailing paper-based licenses.

Combining the growing health care workforce and use of mobile devices, it is critical that MQA continues to develop innovative strategies to meet the needs of practitioners and streamline access to key documents that provide credibility to entering the workforce. e-Licensing demonstrates the commitment of the Department to expedite licensure and verification processes so that health care practitioners can get to work quickly and continue working through successful licensure renewal cycles without interruption.

To learn more, please visit FLHealthSource.gov/electronic-licensing.

▶ ELEVATE YOUR PRACTICE WITH THE FDA WEBINAR ON AESTHETIC DENTISTRY ON MARCH 14

Make plans to attend the FDA-hosted webinar "Aesthetic and Functional Bonding: A Sequential Process to Successful Bonding Procedures and Techniques," presented by Dr. **Dimple Desai** on March 14 at 11 a.m. EST.

Patients often enter the dental office with misaligned, chipped or discolored bonded restorations and are fearful of "drilling" on their teeth. Educating and communicating with patients and using a more conservative approach to enhancing their smiles is crucial as a clinician. During this webinar, Dr. Desai will explain the important components of aesthetic and functional bonding, including matching composite shades, indications and preparations for bonding and how the alignment and occlusion affect final aesthetic outcomes and the longevity of the restoration.

Register at floridadental.org/webinars for only \$29. This webinar is eligible for one hour of continuing education (CE) credit.

STRIVING TO BE YOUR LAST BUSINESS BANK

BANKING ON RELATIONSHIPS

WE CAN HELP YOU GAIN A COMPETITIVE EDGE

Unlike mega-institutional banks, your team at Affinity Bank allows you to spend time doing what you love. Not only do we make it easy for you to manage and access your money, but we also go the extra mile. Make the switch to Affinity Bank where we have been making our dentists smile since 2002.

RAVING FANS AT A RECENT EVENT

Proud to share a client testimonial:

“ Affinity Bank is hands down the most client driven bank. I worked with Tara from start to finish from acquiring a practice loan and setting up our business checking account. Her team at the bank is unrivaled. Glad to have found them early in my career to help save time and money.

~ Dr. Darshan Patel, Daytona Beach Fla ”

► BENEFICIAL OWNERSHIP INTEREST REPORTING REQUIREMENTS FOR DENTISTS

Effective Jan. 1, 2024, a new federal law, the Corporate Transparency Act (*the “Act”*), requires most companies to identify all of their owners, beneficial and direct and/or officers to federal regulators. The scope of the Act is broad and will require providing a passport or state-issued ID for all individuals who own or control a company within the scope of the Act. Entities formed after Jan. 1, 2024, will have 90 days after formation to file the Beneficial Ownership Form. Existing entities will have until Jan. 1, 2025, to file the initial Beneficial Ownership Form.

Any corporation, LLC, partnership, or other entity created by filing with a Secretary of State must file a Beneficial Ownership Information Report (BOI) with the Department of Treasury’s Financial Crimes Enforcement Network (FinCEN). The Act includes small businesses and single-purpose entities that merely hold assets and may include foreign entities. There are exemptions from the Act filing requirements primarily for entities already subject to substantial federal or state regulation, financial institutions, insurance companies, accounting firms and tax-exempt entities.

The first filings will be required beginning March 1 and penalties for failing to file can be significant. Civil penalties of up to \$500 per day can be imposed. Certain violations include criminal penalties. To view the BOI video, click [here](#).

► CYBER THREATS ARE RELENTLESS!

Just last week, a Tampa dentist linked to FDA Services fell victim. Safeguard your business NOW with a triple defense:

- A top-notch IT carrier.
- HIPAA compliance through [Abyde](#).
- A robust \$500,000 cyber liability policy.

Don’t wait! [Coalition Insurance](#) can provide the vital coverage you need to shield your business from the ever-present dangers of cyber-attacks. Act fast. In this digital age, a proactive defense is the key to keeping your operations secure and thriving.

► ADA SENDS ISSUE ALERT ON RECENT FRAUD ATTEMPTS

The ADA recently sent out an alert to members about recent fraudulent attempts to solicit information from individuals and entities who may be subject to reporting requirements under the Corporate Transparency Act — designed to mitigate the number of money-laundering operations posing as businesses. This act requires certain businesses, including dental practices, to report information to the U.S. Department of the Treasury’s Financial Crimes Enforcement Network about their ownership.

However, as the Financial Crimes Enforcement Network began accepting beneficial ownership information reports Jan. 1, they were also notified of potential scammers sending messages that ask the recipient to click on a URL or scan a QR code. These messages may be titled “Important Compliance Notice.” If you receive an email as such, you are urged to not respond or click on any links or scan any QR codes within them.

These messages may be titled “Important Compliance Notice.” If you receive an email as such, you are urged to not respond or click on any links or scan any QR codes within them.

New Skills

ON YOUR
SCHEDULE

ENHANCE YOUR PROFESSIONAL SKILLS WITH ONLINE RADIOGRAPHY TRAINING

Take the first step on the path to dental radiography certification. Train online, at your own pace. Study anywhere! The Florida Dental Association (FDA) Online Radiography Training Program provides you the formal training you need, with the professional development you want. Enrich your career path while contributing a vital service to your patients and dental team. It's the most convenient and economical way to get the radiography training required by Florida law. It's affordably priced, too — just \$285 per student* for FDA members!

*Non-members pay \$385.

▶ SHARPEN YOUR SKILLS WITH HANDS-ON WORKSHOPS IN TALLAHASSEE AND PALM COAST

The FDA is hosting hands-on workshops designed to hone your skills and empower you with the knowledge to implement cutting-edge techniques into your practice. Seize the opportunity to advance your career — register now and redefine your approach to dental excellence! Seating is limited for each workshop, so register early to secure your seats. Visit floridadental.org/workshops for course details and to register for the hands-on workshops you want to attend!

Utilizing Site-Specific Advanced Implants for Full Arch Reconstruction: Hands-On Workshop

fda florida dental ASSOCIATION CONVENTION

You know first-hand the value you receive from your ADA membership. Through the community and resources you've come to count on, the ADA provides the support you need to help achieve your goals. You can help colleagues and friends thrive by inviting them to join the ADA.

For every 5 new members

you recruit, you'll receive a chance to win a **7-day interisland Hawaiian cruise*** for you and a guest.

For each new member

you recruit, you'll be entered into a quarterly drawing for a chance to win **\$1,000 in prizes from ADA-endorsed providers or products from the ADA Store.**

Eligibility

Who can recruit? Any ADA member dentist (including graduate student, resident, active licensed, active life, retired and retired life) is eligible to participate as a recruiter

Who can be recruited? Any degreed dentist who was not an ADA member in 2023 (including graduate students, residents)

Who is not eligible to be recruited for this program?

- A renewing member (someone who was a member in 2023)
- Dental students
- Retired dentists

How to Participate

- Newly recruited members are required to indicate the recruiter's name and contact information as a referral on the membership application.
- ADA member recruiters will receive an email notification after the dentist referred has been accepted into membership.
- A raffle entry for quarterly drawings will be awarded for each new, active member recruited who pays national dues (as applicable) in the current year. Recruiters will receive a chance to win a 7-day Hawaiian cruise* for every five new recruited members who pay national dues (as applicable).

Recognition

- All recruiters will be recognized at SmileCon 2024. Top recruiters will receive additional recognition.
- Quarterly winners and top recruiters will be announced in ADA Morning Huddle.

Program Rules

- This program will run January 1 – August 31, 2024.
- For each new, active member who joins in that timeframe, the referring member's name will be entered into quarterly drawings for a chance to win \$1,000 in prizes from ADA-endorsed providers or products from the ADA Store. Referring members will also receive a chance to win a 7-day interisland Hawaiian cruise* for every five new, eligible members they recruit.
- Referring members will receive a qualifying entry each time their name is listed as the "referring member" on the new member's application (one entry for quarterly drawings for every one member recruited, one entry for the grand prize drawing for every five members recruited). There is no limit to the number of new members who can be recruited or entries in the drawing.
- Referring members will automatically win a quarterly prize (up to \$1,000 value) when they recruit 25 eligible new members. Quarterly prize winners are also eligible to win the grand prize should they recruit at least five new members.
- The grand prize drawing will take place at SmileCon® 2024 in New Orleans. SmileCon attendance is not required to win.

**The grand prize winner will receive a 7-day interisland Hawaiian cruise with a balcony room and airfare for two to be redeemed in 2025, an estimated value of \$7,500. If winners do not wish to claim the Hawaiian cruise package, they are able to select another trip from AHI's catalog at equal or lesser value, or take a cash prize option of \$3,500. Learn more about the available cruises provided by ADA Member Advantage endorsed partner, AHI Travel.*

The ADA Member Recruitment Initiative is subject to all applicable federal, state and local laws and regulations, and is void where prohibited by law. Visit ADA.org/R4R for more details.

▶ FDA MEMBERS GET FREE PREREGISTRATION FOR FDC2024!

It pays to be an FDA member at FDC2024! As an FDA member, you receive multiple perks at FDC2024, including:

- FREE preregistration (\$305 value).
- 20 [FREE course options](#) (up to \$49 savings on each course).
- Discounted course registration fees (up to \$500 savings per course).
- Discounted team member registration fees (\$20 savings per registrant).
