

March 23, 2020

Executive Director DeVile,

I am writing to The Northeast District Dental Association on behalf of Ascension Florida and Gulf Coast, a network of 9 Catholic non-profit hospitals and over 200 clinics across the state of Florida, including Ascension St. Vincent's Riverside, Southside and Clay County. Due to the global supply disruption of Personal Protective Equipment (PPE) and the COVID-19 pandemic spreading within the communities we serve, we are asking if any members of the Northeast District Dental Association have any PPE items that could be made available for donation.

Please find the below list of PPE items that would be most helpful for our caregivers:

- Commercial grade, non-sterile respirators
- N95 and ear loop masks
- Safety glasses/goggles, both disposable and reusable
- Face shields, both disposable and reusable
- Non-sterile gowns and aprons
- Non-sterile, disposable coveralls
- Non-sterile, nitrile gloves (regular and extended length)

Please contact our Area Manager, Analytics, Seth McCurley via email at Seth.McCurley@TheResourceGroup.com or via phone at (417) 664-5815.

Thank you for your time and consideration during this unprecedented time.

Regards,

David Powell
Area Chief Resource Officer, Ascension FL and Gulf Coast
